# BOWHEAD'S ROBUST TRIAGE CAPABILITY IS LIVE TODAY

# ALL DATA IS ENCRYPTED IN TRANSIT AND AT REST

Bowhead Health was founded in 2015 to empower people to own and control their health data.

We are a Canadian based company with a 15 person team.

**HLTH**  
STARTUP FINALIST 2019

## **WE BELIEVE TECHNOLOGY CAN HELP PEOPLE LIVE LONGER, HEALTHIER AND HAPPIER LIVES**

**Francisco Diaz-Mitoma Jr.**  
**CEO & SOFTWARE ARCHITECT**

Francisco leads the platform architecture and gamification design at Bowhead. Previously Francisco was the co-founder of Titan Gaming (acquired XFIRE, licensed to Electronic Arts). Francisco was honored as a Forbes 30 under 30 and graduated from McGill University with a B.A.

**Rhea Mehta, PhD**  
**HEAD OF PARTNERSHIPS**

Rhea leads partnerships and preventative health strategy at Bowhead. Previously Rhea worked in Corporate Development at the Advanced Medical Research Institute of Canada (AMRIC). Rhea is a certified health coach and has a PhD from University of Toronto and B.Sc from Waterloo.

**Francisco Diaz-Mitoma, PhD & MD**  
**CHAIRMAN**

Francisco leads clinical study and medical module designs at Bowhead. Francisco is also the co-founder of AMRIC & Variation Biotechnologies (NASDAQ:VBIV) and serves as its Chief Medical Officer. Francisco has a PhD from University of Alberta and MD from the University of Guadalajara.

# THANK YOU! PLEASE SCHEDULE A DEMO

---

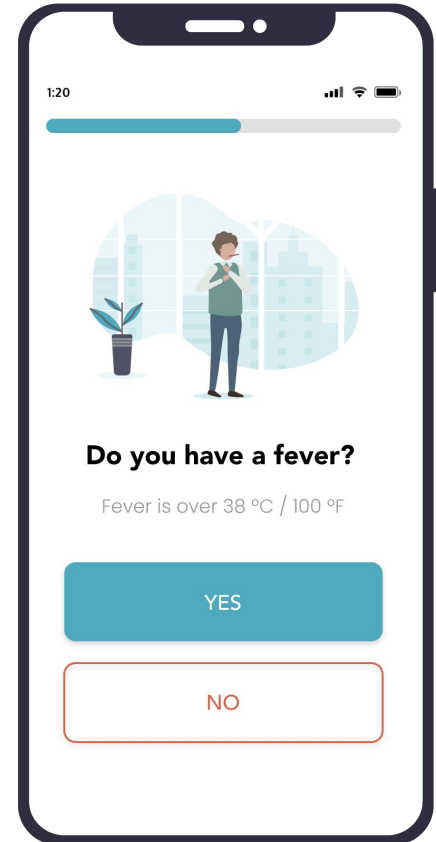

We hope to collaborate on your real world health data program.
